

Wax Rings: Basic Band & Signet Ring with Sarah Tector

3 week class (2 hours per week). Open to all levels with wax and carving tools in their home studio.

During this (3) week workshop you will have the opportunity to learn and execute the basics or add to your repertoire of working with hard carving wax. You will learn the skills needed to carve a basic band and a signet ring.

On hand supplies needed:

Tube (3/8-1/2" wall thickness) or a Block (around 3/8-1/2" thick) of hard carving wax
blue, green, or purple work best
red can be a bit too flexible but it will work if that's all you have

On hand tools needed:

Sandpaper and/or Foam interior sanding blocks
Steel wool
Saw frame
Spiral Wax or Skip Tooth Blade
Exacto knife with fresh blades
Wax needle files (if possible)
Divider or double pinpoint compass (if possible)
Caliper (if possible)
Wax hand carver(s) (if possible)
