

Synclastic Ring

Open to all levels

Create a synclastic (domed ring). By the end of the workshop you'll be proficient at single seam soldering, sheet fabricating & forming, along with basic surface embellishing.

(Ages 15+)

Materials:

(18-22g) 3/8" sterling silver sheet
medium silver wire solder
flux: boric or paste

Tools:

Steel ring mandrel
Weighted head mallet or hammer
Rawhide mallet
Metal dapping set
Steel block/rubber pad
Bastard files/needle files
Sanding blocks/sand paper
Basic soldering set up
