1. Paper to draw on. You might enjoy having a 6" x 9" sketch pad to do the work in so all your work is in one place, but it isn't necessary. A larger pad is also OK.
2. 2 Black Micron .01 pens – if you know you are heavy-handed, get 2 black Micron .05 pens instead of .01
3. Black Pigma Graphic 1 pen
4. Colored markers (thin line) if you think you might want to also play in color
5. pencil
