

Instructor: Sarah Parker
Intermediate Stone Setting

Materials List_

- *saw blades 2, 2/0
- *sandpaper 180-600
- *cup burs ranging from 1.5mm- 3.5mm
- *silver solder (easy, medium, hard)
- *2mm cubic zirconia (at least 10)
- *2mm stone setting bur or ball bur
- *6x6in 18gauge sheet of brass or copper
- *6in silver bezel wire
- *one (or more) cabochons of your choosing, between 6mm-12mm
- *if wanting to work in sterling silver you will want to also bring at least 12 inches of 18g or 16g wire

—all of this can be purchased at riogrande.com
—you can purchase very cheap cubic zirconia on amazon
—bestingems.com has great prices on semi-precious stones if you prefer to use these over cubic zirconia. This is also a great site to find your cabochons on.
