

## **Introduction to the Figure**

### **Suggested Materials List**

**Instructor: Thomas Van Auken**

Students will provide materials, which can be purchased at any art supply store (I recommend buying them locally at Plaza, on Grace St near Harrison).

### **Materials List**

- 1 pad newsprint paper, 18x24"
- 3 (minimum) "Peel n Sketch" charcoal pencils, hard, medium and soft
- 3-5 pieces of vine charcoal. The pieces about the thickness of a finger, not the little skinny sticks.
- 1 Pencil sharpener

*I discuss materials in class. If in doubt, showing up with just the above for the first class is fine.*

- 1 kneaded eraser
- 3 Conte' Crayons OR General's Charcoal (compressed charcoal), black, white and sanguine
- 3 graphite drawing pencils, 4B, 2B, and HB.

Optional: sketchbook, drawing board (big enough for 18x24" pad of paper).

Other materials to be discussed in class.
