

Exploring Richmond Parks Through Drawing

- All these supplies will be from Plaza Richmond. You will start with a 12-pack of vine charcoal. The brand I've picked is the Winsor & Newton Vine Charcoal Soft 12 Pack, and if you'll be buying materials online you can find it here: <https://www.plazaart.com/winsor-newton-vine-charcoal-soft-12-pack>
- A pack of compressed charcoal. Please buy General's Compressed Charcoal Assorted. <https://www.plazaart.com/generals-compressed-charcoal-assorted>
- A large kneaded eraser. Specifically, the Faber-Castell Kneaded Eraser Extra-Large at <https://www.plazaart.com/faber-castell-kneaded-eraser-extra-large>.
- A pencil pouch, or bag to keep your accoutrements in.
- A sketchbook, preferably one from Plaza. The wire or hardbound version of the Plaza Sketchbook 8.5x11 is fine, as long as its 8.5x11. <https://www.plazaart.com/plaza-wirebound-sketchbook-8-5x11>

The first day of this class will be meeting on-site at VisArts before we move on to parks for the remaining classes. You will receive an email beforehand as a reminder.
