

## **SUGGESTED SUPPLIES**

**Draw Botanical Workshop: Summer Flowers**

**Sat July 26 & Sun July 27, 2025 10am–3pm**

(you can arrive at 9:30am to get set up)

**I will bring supplies for students to borrow, so you will not need to order supplies for this workshop.**

If you would like to bring your own supplies you can find our [Suggested Supplies List here](#). Again, it is not necessary to bring these supplies since I will be bringing supplies for you to borrow, but you can if you would like to.

**It would be helpful if you could bring the following to class:**

- 1 small cup or jar to hold water: for watercolor
- 1 small & 1 medium cup or jar to hold your flower specimens
- Portable gooseneck or similar lamp to light your subject and your drawing
