5. **Sample Email.** Using the “click here” link in the email will take you to the password reset page.

6. **Username and Reset Password Page**

- If you forgot your username, it will be displayed on the “reset password” page (sample below).
- If you forgot your password, you could reset it here.

A screenshot of the Pine Shores Art Association website's 'Reset Password' page. The page features the organization's logo and slogan 'PINES SHORES ART ASSOCIATION Committed to inspiring the fine artist in you'. Navigation links for 'Search', 'Calendar', 'Guidelines', and 'Donate' are on the left, and 'Login' and 'New User? Start Here' are on the right. The main content area is titled 'Reset Password' with a blue lock icon. It displays the user's current username 'Sallyknits58' in a text input field, with a large blue arrow pointing to it from the left. A red box to the right contains the text 'Use this Username to reset your password'. Below this, a note says '(If you wish to change this username, please fill the username field below but if you want to maintain this username then just leave the field blank.)'. A text input field for 'New Password' and a 'Confirm Password' field are shown with a large blue arrow pointing to the 'New Password' field from the left. A red box to the right contains the text 'Use your existing username OR create a new username here. Be sure to note your username and new password for future use.' A 'Submit' button is at the bottom left.

7. Once your password is reset, you will be logged on and redirected to the search page.
