

## THE NEW TRANSPARENT COLORS FOR A BRILLIANT FALL PALETTE

STUDENTS: INTERMEDIATE WATERCOLORS

FALL 2026

WEDNESDAY FROM 5 -7.30 PM

SUBJECT: FALL IN VALLEYS AND MOUNTAINS

This Fall season, we are becoming acquainted with a range of new, transparent colors. These pigments' inherent quality is of an unparalleled translucency. When combining them in glorious color ranges from high key with brilliant chromatic scales to soft low key neutrals and darks, they define the essence of savvy watercolor craftsmanship. They endow our variety of subject matter with elegance and multi-colored, expanding mastery.

### FALL 2026 SUPPLIES LIST

Please bring your Foundations and Intermediate Watercolors supplies to the sessions.

Please note that the color numbers relate only to our studies' selected color ranges and color library, and are not related to official numbering systems of colors.
